## Dr. Temt Express Teen **PURITY CLEAR** Facial Protocol.

Steps/ Protocol	Duration	Description
1. Eye Make-up Remover First Cleanse	5 Min.	Start with quick skin analysis under mag lamp cotton rounds on eyes. Use as the first cleanser in our two-step cleansing routine. Apply the <b>Hydrophilic Oil with Azulene</b> on two cotton pads. Using downward and outward swipes to remove eye make-up from each eye. With dry hands apply <b>Hydrophilic Oil with Azulene</b> to the rest of the face while performing cleansing routine. Start steam if client only has mild to moderate impurities. Moisten fingertips and perform cleansing routine again with wet oil. Remove with warm towel or wet 4x4 Esthetic wipes.
2. Second Cleanse	5 Min.	Apply the <b>Purity Clear Foaming Wash</b> to a pre-moistened face, neck and décolleté. Perform cleansing routine under steam if client only has mild to moderate impurities. Remove cleanser with warm towel or wet 4x4 Esthetic wipes.
3. Extractions & Tone	6 Min.	Skin analysis Turn off steam, after Double cleanse perform light extractions in this step. Next Apply the <b>Purity Clear Micellar Water</b> to the face, neck and décolleté with cotton rounds.
4. Ampoule	2Min.	After toner step apply the <b>Purity Clear Ampoule</b> to the face, neck and décolleté. Leaving it on.
5. Enzyme Peel & Mask	10-15 Min.	Apply on top of <b>Purity Clear Ampoule</b> . Mix in a small bowl the Hawaiian Enzyme Peel with the <b>Purity Clear Mask</b> together apply to the face, neck and décolleté with a small mask fan brush. Leave on for 10-15 minutes / Remove with warm towel or wet 4x4 Esthetic wipes. Add Light Steam to activate enzymes and keep mask from drying.
